The R. R. Springer, Captain Hart, came in from Cincinnati about six o'clock with a big show of cargo and a densely populated pas-

senger list. She discharged here one hundred tons, and added 370 bales cotton, 400

barrels oil, 400 sacks oil-meal, 25 barrels whisky, and a lot of sundries. Several passengers for the south also registered with Clerk M'Coy.

The banks were very quiet places yesterday, the Grant reception almost suspending active business. There was nothing new in position of exchange or loans. Charles ton rashroad is unsought for, and the only transactions to be heard of are those of per sons who take what can be had at low fig , in the expectation that the inquiry the has buoyed up the stock will again become active. It was reported that some of it was sold the preceding evening at 28. Exchange at our banks quoted at 3g discount on New York and other prominent eastern points; with three days' grace, 14 discount; selling at 14 premium. On New Orleans, 14 liscount; selling at par. Shelby county scrip s quoted at 90@91 buying, and 93@94 selling. The Charleston railroad stock appears ' to be laid on the shelf," at least for the present; the first mortgage bonds of that institution are reported to be now on the tapis. On the icat of May, we hear, one million of those bends are to be taken up. Why? is the question. HARRIS REMEDY CO. MFG CHEMISTS. STATE & COUNTY BACK TAXES

To All Persons Interested. I desire to call your attention to the late decision of the Suoreme Court in the case of the State et al. va. Martha W. Duncan. In this case it was held that the State's lien for taxes could be enforced by bills filed in the Chancery Court; that the equity of recemption would be barred, and that purchasers would acquire valid titles to real estate sold under these proceedings. In accordance with the terms of the decree in this case, I will issue certificates of redemption to parties who settle before the filing of a bill against their property, upon the payment of the original tax with interest since the date of tax-sale, together with the Clerk's and Collector's fees.

On the 15th of April Next, On the 15th of April Next, On the 15th of April Next,

I will commence to file bill's against all delinquent
property not redeemed by that date. To avoid the
expense to the taxpayer that will be incurred by the
filing of such bills, I have tried as far I could to give
personal notics to parties who are interested in the
delinquent list, and I will continue to do so until the
date above named (April 15th), but owing to the
number of delinquents it will be impossible for all
to be so notified. In view of this I would urge upon
property-owners the necessity of calling at once at
the office, to see it annihing appears upon the laxbooks against them. Respectfully.

State and County Agent and Back Tax-Collector.
